Announcements/Show and Tell
PDX Capture announced a capture the flag tournament this summer. Dates are set for July 10-25th. The neighborhood association will be putting up a copy of the flyer on the CKNA website and Facebook page.

The owner of several local adult businesses now owns the former Hutch restaurant. Neighbors are speculating that ownership plan to get OLCC to grant a liquor license as a family-friendly vegan restaurant then switch the business to an adult oriented establishment. Woodstock NA is having a meeting Wednesday (March 25th) to discuss the situation and all neighbors are welcome to attend.

General consensus was that a good neighbor agreement is an avenue that should be pursued along with the Woodstock Neighborhood Association. The business location is located in Woodstock, just across the Creston-Kenilworth border.

Creston-Kenilworth will also be looking to write a letter to OLCC to state our concerns and is encouraging other neighbors to do the same.

Tyler King moves to hold a brief special emergency meeting at Shut Up and Eat at 7pm on Tuesday (March 31st) to draft a letter and submit it to OLCC. Zack Smith seconds and the motion passes unanimously.

Next month’s meeting (April 27th) will be hosted by SEUL and will have a workshop about affordable housing.
